Blog Writing

Do you know what blogs are? In the beginning, a blog is a write-up that people share online, and it dates back to 1994. In this online journal, you could talk about your daily life or share things you do. However, people got an opportunity to communicate information in a new way. So began the beautiful world of blogging.

What is a Blog?

A blog (shortening of “weblog”) is an online journal or informational website displaying information in the reverse chronological order, with latest posts appearing first. It is a platform where a writer or even a group of writers share their views on an individual subject. Each entry is called a post.

Blog structure

The appearance of blogs changed over the course of time. Most blogs include some standard features and structure. Here are some common features that a typical blog will include:

- Header with the menu or navigation bar
- Main content area with highlighted or latest blog posts
- Sidebar with social profiles, favourite content, or call-to-action
- Footer with relevant links like a disclaimer, privacy policy, contact page, etc.

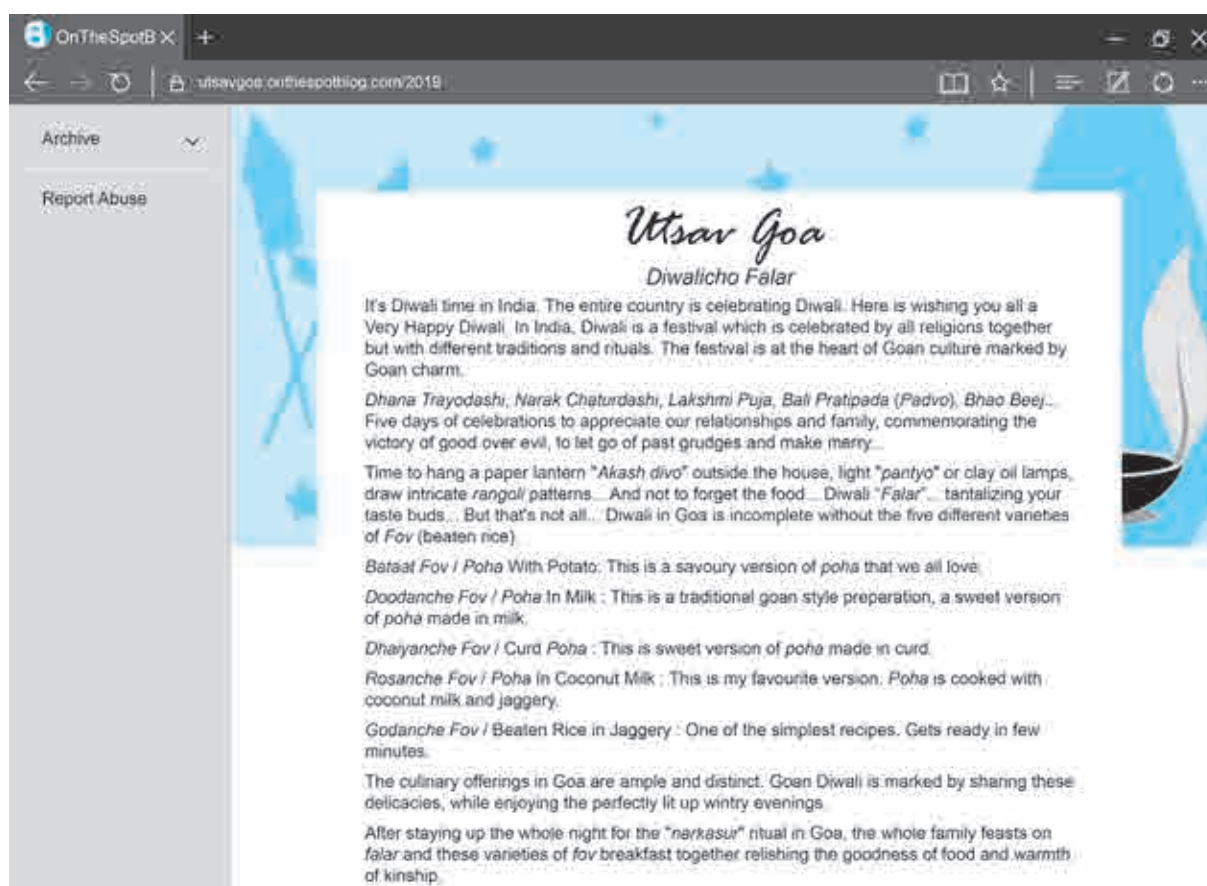

Here's a list of reasons why people blog and how blogging can benefit your personal or professional life.

- Express yourself and share your passions.
- Make a difference.
- Share interesting information.
- Refine your writing skills.
- Learn how to make money online.
- Build your professional network.
- Earn more media exposure.
